GOOD CATCH UPDATE: ANIMATED IMAGES - ENCLOSED SPACES

The danger associated with entry into enclosed spaces on board ships is a major safety concern for shipowners and seafarers. Enclosed-space deaths can happen on any vessel, at any time, to anybody. Taking safety shortcuts can and does lead to fatal accidents.

In this context, your Managers are pleased to present the latest animated images instalment of the Club's *Good Catch* initiative:

- *Enclosed Spaces* available in [English](#) as well as in [new](#) and [traditional](#) Mandarin.

As a reminder, all *Good Catch* alerts and animations are posted at the Club's website at:

Your Managers recommend that Members take note of this information and be guided accordingly.
