MARITIME SECURITY: INTERNATIONAL MARITIME SECURITY CONSTRUCT (IMSC) BRIDGE REFERENCE CARD UPDATE

Reference is made to the Club's Member Alert of January 14, 2021, entitled [Maritime Security: Updated Guidance for Vessels Operating in the Arabian Gulf, Gulf of Oman, Gulf of Aden and Red Sea](#). As a result of the increased risk of sea mines, the IMSC has updated its [Bridge Reference Card](#).

Members are encouraged to take the guidance into consideration in circumstances where their vessels may be exposed to such security risks.
