## GOOD CATCH UPDATE: *IT'S HOT OUT THERE!* POSTER

The warmth of the summer months increases the risk of heat-related illnesses for seafarers. Make a Good Catch by taking precautions against the heat and by checking in on your fellow crewmembers!

In this context, your Managers are pleased to present the latest poster instalment of the Club's *Good Catch* initiative:

- *It's Hot Out There!* available in [English](#), [new](#) and [traditional](#) Mandarin.

As a reminder, all Good Catch alerts, animations, images and poster are posted at the Club's website at:

Your Managers recommend that Members take note of this information and be guided accordingly.
