USCG RELEASES NEW FORM FOR REPORTING MARINE CASUALTIES (CG-2692)

On July 1, 2016 the United States Coast Guard released an updated version (series) of the [CG-2692 Report of Marine Casualty, Commercial Diving Casualty, or OCS-Related Casualty form](#).

The new documents contain several updates, including;

- New addendum forms for barge involvement, personnel casualties, witnesses and drug and alcohol testing;
- Streamlined data fields to align with statutory and regulatory language; and
- The ability for a form to be completed electronically, including the use of a digital signature.

New forms and supporting documents can be obtained by going to [U.S. Coast Guard Homeport](#) and clicking 'Investigations' on the left-hand side of the screen. The new CG-2692 forms are located under the header 'Casualty Reporting Forms'.

Additional information, and an instructional video of the new form CG-2692, can be found [here](#).

Members are asked to note the above, but if further assistance is required, your Managers will be pleased to provide it.
