UPDATED UNITED STATES COAST GUARD MARINE CASUALTY AND DRUG AND ALCOHOL TESTING FORMS

It has been brought to your Managers' attention that the United States Coast Guard's most recently issued marine casualty, and drug and alcohol testing, forms, 46 CFR 4.06-60, "Submission of Reports and Test Results", are not always being used.

The most recent and up-to-date forms can be found at: [Report of Marine Casualty \(CG-2692\)](#) and the [Report of Required Chemical Drug and Alcohol Testing Following a Serious Marine Incident \(CG-2692b\)](#).

Should Members have any questions, your Managers would be happy to address them. In this regard, Members should contact Dr. William Moore, Senior Vice President – Loss Prevention at william.moore@american-club.com.
