CYBER AWARENESS UPDATES

Your Managers are pleased to report that the joint American Club and ABS Consulting publication, *A Primer on IMO Cyber Risk Management Guidelines*, has now been translated into [new](#) and [traditional](#) Mandarin.

Furthermore, the American Club has now dedicated a part of its website specifically to issues concerning cyber awareness. It can be accessed at:

<https://www.american-club.com/page/cyber-awareness>

The dedicated section maintains all of the Club's information, guidance, best practices and updates on cyber risks, cyber awareness and cybersecurity, together with relevant links.

If any further information is required, Members are encouraged to contact the Managers who will be pleased to respond accordingly.
