CIRCULAR NO. 10/23

TO MEMBERS OF THE ASSOCIATION

Dear Member:

AMERICAN CLUB LOSS PREVENTION: NEW E-LEARNING TOOL—*TWIN FALL LIFEBOAT*

Your Managers are pleased to announce a new addition to the American Club's catalog of e-learning modules entitled ***Twin Fall Lifeboat***. It has been released in English, as well as new and traditional Mandarin, in collaboration with IDESS IT who provides the technology supporting the module's animations.

The module focuses upon drills, training and best practice procedures including tricing pennants, bowing tackle, launching into burning seas and fall prevention devices for twin fall Totally Enclosed Motor Propelled Survival Crafts (TEMPSCs).

Members are reminded that the American Club maintains a broad library of safety and environmental protection related e-Learning modules that are free of charge to Members. A summary of all eLearning modules, including information on how Members may gain access to them, is to be found at:

<https://www.american-club.com/page/education-training-tools>

Furthermore, for Members using the Plug-and-Play (PnP) system, your Managers will follow with further instructions on loading *Twin Fall Lifeboat* in a Member Alert.

Members are asked to note the foregoing. If they have any questions, they are asked to contact the Loss Prevention Department at lp@american-club.com.

Yours faithfully,

Dorothea Ioannou, CEO
