## **GOOD CATCH UPDATE: *PUTTING NEAR MISSES TO GOOD USE* ANIMATED IMAGES**

Every “near miss” is a potential accident. Documenting near misses allows others to learn from them, and that helps to ensure that unsafe conditions are addressed. Assessing near misses helps eliminate the causes of those potential accidents. Make a Good Catch by reporting on ALL near misses!

In this context, your Managers are pleased to present the latest instalment of the Club’s *Good Catch* initiative:

- *Putting Near Misses to Good Use* animated images available in [English](#), [new](#) and [traditional](#) Mandarin

As a reminder, all *Good Catch* alerts and animations are posted at the Club’s website at:

[https://www.american-club.com/page/good\\_catch](https://www.american-club.com/page/good_catch)

Your Managers recommend that Members take note of this information and be guided accordingly.
