MARCH 27, 2020

COVID-19 – WORKING ARRANGEMENTS FOR THE MANAGERS’ GLOBAL OFFICES

Your Managers refer to the Club’s [Member Alert of March 13, 2020](#). Since then, as many Members will be aware, new government restrictions have been placed on both the movement of people and the accessibility of offices, particularly in New York, London, Athens and Hong Kong.

As foreshadowed in the March 13 Alert, your Managers have undertaken a further review of the circumstances of their office network in light of these recent developments. In consequence, Members are asked to note that all management personnel will be working from home until further notice.

Contact details of the Managers’ New York, London, Athens, Hong Kong, Shanghai and Houston offices can be accessed on the Club’s website, respectively, at:

Your Managers remain committed to maintaining full Club service despite the unprecedented challenges to their conventional modus operandi at the present time. They also hope, as an overarching sentiment, that the Club’s Members, the broking community, and its many other friends across the world remain safe and well, and that the same will continue to be the case for the Managers’ own people everywhere.

Working arrangements for the Managers’ global offices remain under review and further news will be communicated as required over the weeks ahead.
