COVID-19 – WORKING ARRANGEMENTS FOR THE MANAGERS’ GLOBAL OFFICES

Your Managers refer to the Club’s recent Member Alerts on the above subject. As Members and the Club’s many other friends will be aware, management personnel have been working from home since mid-March, and will continue to do so until further notice.

As an expression of solidarity with Members and everyone else whom the American Club is privileged to serve, a brief video indicating the connectedness of our teams, and their unimpaired availability, was recently circulated on social media. It can be accessed at:

As can be seen, the Club’s service capabilities, despite these difficult times, remain at the continuing disposal of Members wherever, whenever and however they may be needed. To that end, contact details of the Managers’ New York, London, Athens, Hong Kong, Shanghai and Houston offices can be accessed on the Club’s website, respectively, at:

As previously indicated, working arrangements for the Managers’ global offices remain under review and further news will be communicated as required over the weeks ahead.
