UPDATED INTERNATIONAL CHAMBER OF SHIPPING (ICS) GUIDANCE ON COVID-19

The ICS has recently updated its guidance [*Coronavirus \(COVID-19\): Guidance for Ship Operators for the Protection of the Health of Seafarers \(Version 2.0\)*](#).

The updated document builds on the previous guidance providing comprehensive recommendations on safe port entry, shipboard measures to address risks associated with COVID-19 and managing other medical issues during COVID-19, including medical assistance to seafarers in ports.

Your Managers recommend that Members take note of this information and be guided accordingly.
