AUGUST 2, 2023

GOOD CATCH UPDATE: CO₂ SYSTEMS

The fire safety system onboard your ship can be a life saver – if the crew has been properly trained on its operation. Make a Good Catch by ensuring that training on the CO₂ system takes place regularly!

In this context, your Managers are pleased to present the latest poster instalment of the Club's *Good Catch* initiative:

- CO₂ Systems is available in [English](#), [new](#) and [traditional](#) Mandarin.

As a reminder, all Good Catch alerts, animations, images and poster are posted at the Club's website at:

https://www.american-club.com/page/good_catch

Your Managers recommend that Members take note of this information and be guided accordingly.
