## **GOOD CATCH UPDATE: ANIMATIONS – HUMAN FACTORS: BULLYING AND HARASSMENT**

Bullying and harassment on board a vessel may lead to serious consequences for offenders and can negatively impact both the vessel's operation and the organization. Every seafarer has the right to a safe work atmosphere free from bullying and harassment.

Your Managers are pleased to present the latest animation instalments of the Club's *Good Catch* initiative:

- [Human Factors: Bullying](#) available in English, new and traditional Mandarin; and
- [Human Factors: Harassment](#) available in English, new and traditional Mandarin.

To access the Mandarin translations, click on the three vertical dots in the lower right hand corner of the screen. A box, as seen in the example below, will appear. Click on "Captions" and the options for the translations will appear.

As a reminder, all *Good Catch* alerts and animations are posted at the Club's website at:

Your Managers recommend that Members take note of this information and be guided accordingly.
