## **COVID-19 – WORKING ARRANGEMENTS FOR THE MANAGERS’ GLOBAL OFFICES**

Your Managers refer to the Club’s recent Member Alerts on the above subject. As Members and the Club’s many other friends will be aware, management personnel have been working from home since mid-March, although the circumstances of the Managers’ offices in Shanghai and Hong Kong have recently changed.

These offices have now resumed normal, office-based working, although they continue to operate with flexibility between such operation and that from home. Personnel in the Managers’ offices elsewhere in the world continue, however, to work from home, and will do so until further notice.

As previously notified, the Club’s service capabilities, despite these difficult times, remain at the disposal of Members wherever, whenever and however they may be needed. To that end, contact details of the Managers’ New York, London, Athens, Hong Kong, Shanghai and Houston offices can be accessed on the Club’s website, respectively, at:
