GOOD CATCH UPDATE: ANIMATION – BRIDGE PROCEDURES, SAFETY, AND HEAVY WEATHER

The critical importance of a well-working safety management system cannot be understated. It requires the proper assessment of shipboard risks, effective communication between personnel and well-defined procedures to effectively minimize those risks.

In this context, your Managers are pleased to present the latest animation instalment of the Club's *Good Catch* initiative:

- [Bridge Procedures, Safety, and Heavy Weather](#) available in English, with new and traditional Mandarin subtitles.

To access the Mandarin translations, click on the three vertical dots in the lower right-hand corner of the screen. A box, as seen in the example below, will appear. Click on “Captions” and the options for the translations will appear.

As a reminder, all *Good Catch* alerts and animations are posted at the Club's website at:

https://www.american-club.com/page/good_catch

Your Managers recommend that Members take note of this information and be guided accordingly.
