CHEMICAL TANK E-LEARNING MODULE IS NOW IN MANDARIN

Your Managers are pleased to announce that the e-learning module, **Chemical Tank**, is now available with both new and traditional Mandarin subtitle translations. To access the Mandarin translations, please follow the instructions as detailed in the [User Manual Load Learning Module with Chinese Subtitle](#).

This e-Learning module has been developed in accordance with the IMO Model Course 1.03 Advance Training for Chemical Tanker Cargo Operations - 2016 Edition in compliance with the competency and knowledge requirements as contained in the 2010 STCW Code, Table A-V/1-1-3, *Specification of minimum standard of competence in advanced training for chemical tanker cargo operations*.

Members are reminded that the American Club maintains a broad library of safety and environmental protection related e-Learning modules that are free of charge to Members. A summary of all eLearning modules, including information on how Members may gain access to them, is to be found at:
