LOSS PREVENTION INITIATIVE: NATIONAL PROTECT YOUR HEARING MONTH

Conserving your hearing is vital to personal wellness and made possible by exercising smart noise protection practices. This October, in recognition of National Protect Your Hearing Month in the United States, we are raising awareness about hearing protection and best practices for seafarers. In this context, your Managers are pleased to present the latest Club Loss Prevention initiative:

- **Now Hear This:** *Noise Protection Awareness* guidance available in [English](#), [new](#) and [traditional](#) Mandarin;
- *Your Hearing Is Valuable: Protect It* safety poster available for download in [English](#), [new](#) and [traditional](#) Mandarin; and
- American Club branded disposable earplugs in a reusable clip case are available upon request from our offices.

As a reminder, additional seafarer wellness topics and guidance can be found on the club's website at:
