## **NEW CLUB PUBLICATION – COLLECTION OF PERISHABLE EVIDENCE – MANDARIN VERSIONS**

The American P&I Club is pleased to announce that the publication [Collection of Perishable Evidence](#) is now available in both [new](#) and [traditional](#) Mandarin. This guidance serves as a reminder that properly collected, preserved, and documented evidence provides information that enables us to learn from incidents, verify compliance with regulations, procedures and policies, and properly establish the incident's liabilities.

Members should take note of this information and be guided accordingly.
