GOOD CATCH UPDATE: ANIMATION – *WHAT THEY DID NOT SEE*

The Convention on the International Regulations for Preventing Collisions at Sea (COLREGs) state that every vessel shall at all times maintain a proper lookout by sight and hearing as well as by all available means appropriate. Make a Good Catch by ensuring that lookouts undertake no other assignments or duties which would interfere with that task.

In this context, your Managers are pleased to present the latest animation instalment of the Club's *Good Catch* initiative:

- [*What They Did Not See*](#) available in English, with new and traditional Mandarin subtitles.

To access the Mandarin translations, click on the three vertical dots in the lower right-hand corner of the screen. A box, as seen in the example below, will appear. Click on “Captions” and the options for the translations will appear.

As a reminder, all *Good Catch* alerts and animations are posted at the Club's website at:

https://www.american-club.com/page/good_catch

Your Managers recommend that Members take note of this information and be guided accordingly.
