USCG TAC PLUS - HEALTH SPOTLIGHT Q4

In cooperation with the USCG TAC PLUS Program and in collaboration with Medical Solutions Services (MSS), the American P&I Club introduces [Health Spotlight: Vision Care](#), the fourth-quarter instalment of the policy year newsletter series.

The newsletters provide concise, professional guidance on mariner health best practices, including maintaining optimal eyesight through protection, routine care, and preventive measures, as well as flu prevention strategies and awareness of common symptoms.

The full series is available on the Club's website at:

<https://www.american-club.com/page/seafarer-wellness>

It is recommended that Members take note of this information and be guided accordingly. The Managers thank MSS for providing this valuable guidance.
