FEBRUARY 19, 2020

SULFUR CAP UPDATE: BAN ON CARRIAGE OF NON-COMPLIANT FUELS

Members are reminded that for vessels not fitted with an exhaust gas cleaning system (i.e. “scrubber”) all remaining fuel oil on board exceeding the 0.5% sulfur limit must be removed before March 1, 2020.

The provision does not apply to fuel oil that is being carried as cargo.

Members are reminded that bunker-related guidance can be found on the Club’s website at:

<https://www.american-club.com/page/bunker-fuels>

Your Managers recommend that Members take note of this information and be guided accordingly
