## **LOSS PREVENTION: SEXUAL ASSAULT / SEXUAL HARASSMENT (SASH) AWARENESS – ANIMATION UPDATE – SCENARIO 3 – BYSTANDER INTERVENTION**

Victims of sexual assault or sexual harassment can be of any gender and perpetrators can be of the same or opposite sex. Behaviours such as displaying sexually suggestive pictures, unnecessary touching, and stealing underwear are inappropriate and should be reported and never tolerated.

The third instalment in the American Club's series of animations on SASH Awareness suggests that anyone witnessing such a situation should take an active role in speaking up and saying something.
