NEW CALEDONIA: SOCIAL UNREST

In recent days, New Caledonia has experienced significant social unrest, particularly in the county's capital city of Nouméa resulting in a curfew that is now in effect. In addition, the Tountouta Airport has also been closed to incoming flights.

Members are asked to note the foregoing. If they have any questions, the Managers will be pleased to respond. They also thank the Club's correspondents, [McLeans SA](#) and [Etic Sas](#), for providing the information upon which this Alert has been based.
