LOSS PREVENTION: SEAFARER WELLBEING PROGRAMS

Vessel managers can enhance wellbeing and morale onboard by implementing initiatives that include friendly competition, entertainment, or celebratory meals. Activities like these promote crew happiness, crew cohesion, and positive mental health by giving seafarers an outlet with which to wind down after a busy workday. The American Club is pleased to introduce this compilation of ideas and suggestions of seafarer wellbeing programs and onboard activities that promote the happiness of the crew. Stay Well!
