GOOD CATCH UPDATE: *FAMOUS LAST WORDS!* ANIMATED IMAGES

Routine jobs can create a false sense of confidence that may lead seafarers to skip steps or take shortcuts. Many incidents occur during familiar tasks when risks are underestimated or assumptions replace good judgment. Make a Good Catch by recognizing when a shortcut is being considered and choosing the safer course of action.

In this context, the Managers are pleased to present the latest instalment of the Club's *Good Catch* initiative:

- [*Famous Last Words!*](#) animated images available in English and both [new](#) and [traditional](#) Mandarin.

As a reminder, all *Good Catch* alerts and animations are posted on the Club's website at:
