OCTOBER 29, 2020

AMERICAN CLUB LOSS PREVENTION TOOL: *CHEMICAL TANK* - PLUG & PLAY SYSTEM UPDATE

Reference is made to [Circular No. 36/20](#) of October 2, 2020, regarding the release of the final module of the American Club's web-based e-learning tool on chemical tankers.

Your Managers are pleased to advise that the updater for the new module, ***Chemical Tank***, is now available for Members with the Plug-and-Play (PnP) system. The instructions for loading the module into the PnP system is found by clicking [here](#).
