GOOD CATCH UPDATE: *A SNAG IN YOUR PLAN? BE CAREFUL WHERE DROPPING ANCHOR* – MANDARIN VERSIONS

The American P&I Club is pleased to announce the most recent installment of the Club's Good Catch initiative, *A Snag in Your Plan? Be Careful Where Dropping Anchor* is now available in both new and traditional Mandarin. This alert serves as a reminder that what lies beneath the surface can pose significant risks, and that careful evaluation of anchoring locations can help prevent damage to critical infrastructure, protect the marine environment, and reduce risks to communities and seafarers.

As a reminder, all *Good Catch* alerts and animations are posted on the Club's website at:
