CIRCULAR NO. 11/25

TO MEMBERS OF THE ASSOCIATION

Dear Member:

THE AMERICAN CLUB SEGMENT ON *VIEWPOINT WITH DENNIS QUAID: PROTECTED PROSPERITY – THE KEY ROLE OF INSURANCE IN SECURING OUR FUTURE*

As part of its ongoing commitment to educating the public about the key role insurance, and particularly protection and indemnity (P&I) insurance, plays in enabling trade, protecting communities, and ensuring the prosperity and safety of the maritime industry, the American Club partnered with *Viewpoint with Dennis Quaid* for the video segment *Protected Prosperity – The Key Role of Insurance in Securing Our Future*.

The segment can be viewed on the *Viewpoint with Dennis Quaid* website here:

The video segment which will be broadcast on PBS affiliates across the US throughout 2025 looks at the history of marine insurance and P&I both internationally and here in the US as well as its current and future roles explaining the importance of both in supporting the global economy.

It is hoped that this educational segment raises awareness of the importance that marine insurance, and P&I play in international trade.

Yours faithfully,
