CIRCULAR NO. 17/19

TO MEMBERS OF THE ASSOCIATION

Dear Member:

MANAGEMENT NEWS

Your Managers are pleased to announce that, on July 1, 2019, Daniel A. Tadros will be joining Shipowners Claims Bureau, Inc. (SCB) as its Chief Legal Officer (CLO).

Currently admiralty partner, and practice area coordinator, of Chaffe McCall, LLP of New Orleans, Dan Tadros is a well-known figure within both the maritime community at large and the marine insurance sector in particular, having over many years served with distinction a broad international clientele from every segment of the shipping industry.

Dan is especially well-acquainted with the work of International Group P&I clubs and brings with him a wealth of insight and expertise which will greatly enhance SCB's capabilities in the management of the American Club, and the promotion of its Members' interests.

Dan's responsibility as CLO, and as a key member of SCB's senior management team, will embrace a broad spectrum of management operations on which the deployment of his considerable legal skills will have an important bearing. In this context, he will provide counsel reflecting those skills not only in regard to claims and related issues, but also in respect of the many other elements of SCB's service provision to the American Club, and its related enterprises.

Those in our industry who have had the pleasure of knowing Dan over the years will already be familiar with those high standards of professionalism which have characterized his career as a lawyer in private practice. Those who will come to know Dan in his new role will no doubt be equally impressed by the application of his expertise to the work of P&I club management.

Most especially, your Managers are sure that everyone will want to join them in wishing Dan the very best of good fortune as he assumes his new duties over the weeks ahead.

Yours faithfully,

Joseph E.M. Hughes, Chairman & CEO
