CIRCULAR NO. 22/09

TO MEMBERS OF THE ASSOCIATION

Dear Member:

AMERICAN CLUB LOSS PREVENTION, TRAINING AND SAFETY MATERIALS: A CURRENT LIST

The Annex hereto contains a list of all current loss prevention, training and safety materials published by the American Club. Several Members have asked that the list be circulated to their manning agents in particular, so that they can be made aware of everything which is available.

In addition, there are assorted loss prevention materials and information to be found in the Club newsletter **Currents**, regularly posted on the Club's website. Hardcopies are also distributed to Members.

Your Managers recommend that Members pass the Annex to their manning agents as soon as possible. This list will be updated as more loss prevention, training and safety materials are issued.

More information on these items can be found at our website at www.american-club.com. If Members have any questions, they should contact Dr. William Moore, Senior Vice President at +1 212 847 4542 or by e-mail at william.moore@american-club.com.

Yours faithfully,

Joseph E.M. Hughes, Chairman & CEO
