CIRCULAR NO. 25/05

TO MEMBERS OF THE ASSOCIATION

Dear Member:

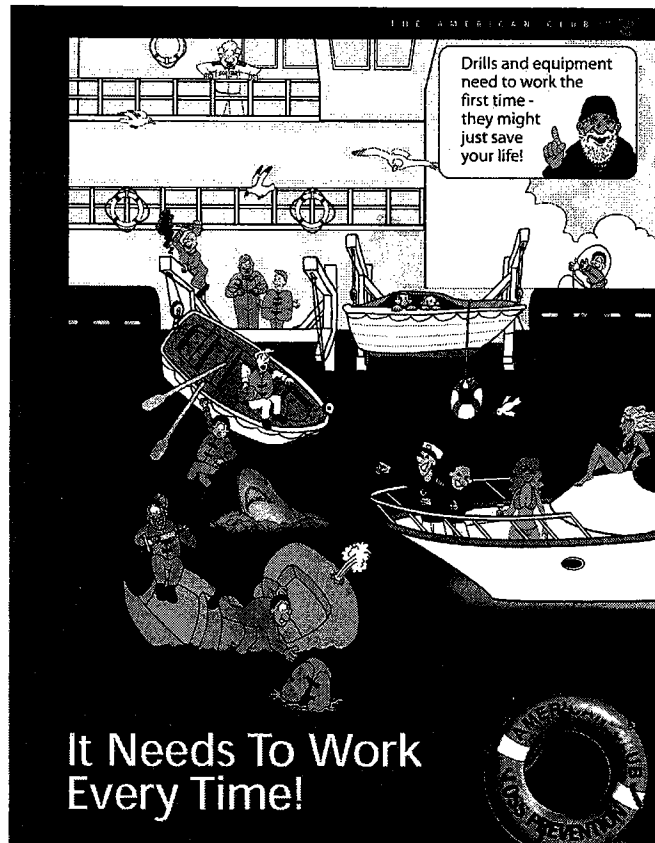

LOSS PREVENTION POSTERS

Your Managers are pleased to announce the publication of four loss prevention posters. They have been developed in light of the success of the Club's booklets *Preventing Fatigue* and *Shipboard Safety*. The posters are the first in a series addressing safety, environmental protection and maritime security. Further posters will be released in sets of 2 to 4 over the coming year.

These posters will address a variety of topical subjects including port State control, oily water separation, maritime security and preventing fatigue.

As with *Preventing Fatigue* and *Shipboard Safety*, Members will be supplied with sufficient copies of each poster for distribution to all their entered vessels.

For further information regarding American Club loss prevention posters, please contact Dr. William Moore, Vice President, Loss Prevention, Risk Control and Technical Services for the Shipowners Claims Bureau, Inc. at +1-212-847-4542 or wmoore@american-club.net.

Yours faithfully,

Joseph E.M. Hughes, Chairman & CEO
