CIRCULAR NO. 35/19

TO MEMBERS OF THE ASSOCIATION

Dear Member:

LOSS PREVENTION: *BUNKERING – A COMPENDIUM*

Your Managers are pleased to announce the release of the American Club's latest loss prevention guidance, *Bunkering – A Compendium*.

The Compendium is intended to supply guidance not only in respect of issues arising from the new MARPOL regulations coming into effect on January 1, 2020, but also in regard to best practice generally in the conduct of bunkering operations. It seeks to provide a comprehensive approach to loss prevention both ashore and afloat, aimed at obviating exposures with both P&I and FD&D insurance implications.

The Compendium, its companion animations and other guidance documents can be found on the Club's website at:

<https://www.american-club.com/page/bunker-fuels>

Hard copies, and Chinese translations, of the Compendium will be produced in due course. Hard copies will be made available to Members free of charge. Requests should be directed to Ms. Danielle Centeno, Assistant Vice President – Loss Prevention & Survey Compliance, at danielle.centeno@american-club.com or Dr. William Moore, Senior Vice President, at +1 212 847 4542 or by e-mail at william.moore@american-club.com.

Yours faithfully,
