CIRCULAR NO. 36/20

TO MEMBERS OF THE ASSOCIATION

Dear Member:

**AMERICAN CLUB AND AMERICAN BUREAU OF SHIPPING (ABS) COLLABORATE TO PRODUCE NEW E-LEARNING MODULE: *CHEMICAL TANK***

Your Managers are pleased to announce a new addition to the American Club's catalog of e-learning modules entitled ***Chemical Tank***. It has been released in collaboration with the American Bureau of Shipping (ABS) and IDESS IT who provided the technology supporting the module's animations.

This e-Learning module has been developed in accordance with the IMO Model Course 1.03 Advance Training for Chemical Tanker Cargo Operations - 2016 Edition in compliance with the competency and knowledge requirements as contained in the 2010 STCW Code, Table A-V/1-1-3, *Specification of minimum standard of competence in advanced training for chemical tanker cargo operations*.

Members are reminded that the American Club maintains a broad library of safety and environmental protection related e-Learning modules that are free of charge to Members. A summary of all e-Learning modules, including information on how Members may gain access to them, is to be found at:
