CIRCULAR NO. 48/15

TO MEMBERS OF THE ASSOCIATION

Dear Member:

MANAGEMENT NEWS

Your Managers are pleased to announce that Dimitris Seirinakis has been appointed Managing Director of the Managers' Shanghai office – SCB Management Consulting (Shanghai) Co., Ltd (SCBMCS) – with immediate effect. Dimitris succeeds Raymond Sun Li Hua, who previously held this position. Dimitris has assumed all responsibilities as Legal Representative of SCBMCS in conducting correspondent services to the American Club's operations in Greater China, including servicing the Club's fixed premium facility, Eagle Ocean Marine (EOM).

Dimitris earlier joined the management team with over 10 years' experience as a commercial lawyer, most recently gained in the Shanghai branch of a leading firm of solicitors. He previously worked as in-house counsel to a large shipping and trading company, having started his career, after qualifying as a solicitor in England, with well-known London maritime commercial lawyers.

Dimitris' appointment adds further strength to the Managers' Greater China team where Yelin Tang, Carol Wang and Dalian-based Kat Wang will continue to supply those exemplary claims handling and business support skills dedicated to the provision of unsurpassed service to the Club's and EOM's Members and Insureds.

They, as well as the Club's many other friends in the broking community and elsewhere, will no doubt join the Managers in congratulating Dimitris on his appointment and in wishing him and his team the very best in their continuing mission of service into 2016 and beyond.

Yours faithfully,

Joseph E.M. Hughes, Chairman & CEO
